Description

We offer for sale a spacious two-level penthouse in a brand new exclusive residential project in the dune area in Jurmala, Pumpuri district.

Two modern houses, whose facades reflect the surrounding nature and sunlight, are located in a quiet area, at a distance of 150 meters from the sea. Private access to the beautiful beach, fresh sea breeze, Jurmala pines, peace and quiet of the resort city make this place ideal for those who appreciate high quality and comfort.

3-bedroom penthouse with a total area of 286 sq.m (including two terraces of 79 m²) is located on the third floor of the house, which stands parallel to the dunes. The apartment has a comfortable layout - a spacious living room, 3 bedrooms (with dressing rooms and bathrooms), one guest WC, balcony and spacious terrace on the roof with a beautiful view of the sea.

Autonomous heating system separately in each apartment, which allows you to regulate the heat level independently and significantly reduces costs. For the comfort of residents there is an underground and surface parking. Parking space is offered for an additional fee - 10 000 euros.

Landscaped courtyard, fenced and guarded territory. Children playground. The entrance to the project is carried out through a security gate. In summertime the beach lounge Čaika Family Beach offers entertainment for the youngest members of the family, rental of sun loungers and towels, the Madam Brioš confectionery, well-known in Jūrmala, is located only three minutes away.

All necessary infrastructure is nearby: a school, a kindergarten, bus stops, the nearest grocery stores, pharmacies and branches of banks are located within 3 minutes drive.

The distance to Riga Airport is 21 km, to the center of Riga - 29 km.

The apartment is offered without finishing. Full interior decoration is available for additional price - 350 euro/m² of living space.
