#### Description

We offer for sale an exclusive apartment at the unique project HOFT - House of the flying trees. Project is located on a landscaped area of 1212 square meters. The Project consists of two residential apartment buildings with 7 floors each, connected with an underground parking for 23 places. The StreInieku Street building is an architectural monument undergoing renovation and having two built-on floors. The yard building is newly built. The Project includes 42 apartments, their surface ranging from 76 m2 to 232 m2, with an apartment merging possibility.

All of the apartments have balconies of no less than 1.80 m in width, large bright windows and low sill windows allowing for a magnificent view of the courtyard and trees. Ceiling height is 2.90 m, in the Penthouse apartments it is 3.00 meters.

When designing the HOFT, parameters exceeding those determined by the construction regulations of the European Union and meeting the advanced requirements of reliability and comfort were laid to its design basis, thus allowing for the Project to be placed as the Premium class.

This apartment has a layout with 2 bedrooms, 2 bathrooms, a spacious living room with kitchen area. The living area of the apartment is 82.1m2. The cost of the apartment is indicated without finishing. However, it is possible to choose the interior option and order the finishing. Tle layout of the apartment in attached in PDF.

We have an access to all apartments in this project and will be happy to help you to choose the best option. Please contact us for more project information.

Parking space price is 70 000 - 100 000 EUR.
