Description

We offer to purchase a beautiful plot of land in the Dobele region. An ideal place to start your agricultural business!

The total land area is almost 80 hectares. There is a partially sawn forest on the plot.

There are 3 buildings on the site:

- 1 - 240 sq.m, 2 floors, is being restored for a residential building, the restoration is not finished.
- 2 - 270 sq.m, 1 floor, it used to be a stable, now it is a warehouse with concrete floor.
- 3 - ~ 450 sq.m, 1 floor, warehouse (previously - stable), needs to be renovated.

The terrain and the site itself is perfectly suitable for farming, housing, tourism, hunting, and other activities.
