Description

Plot of land with a premium house project.

Quiet and green residential quarter. The plot is very sunny. But the site grows a hundred-year-old oak.

Urban communications were made to the site: Electricity and gas, water supply and sewage are planned.

There is a coordinated project of the mansion and a valid building permit.

- The presented project can be adapted to the wishes of the buyer

- Planned implementation period - 2020/2021

Land plot 964 m² located in Bulduri near the Liedupe River.

Great location:

-to the promenade with an equipped area and a beach by the river - 100m.

- to the sea - 1.8km

- Near the city of Riga. Convenient transport links.

- Developed infrastructure. To the railway station "Lielupe" - 800m, to the city of Rimi - 600m. The nearest grocery store and cafe are 200m away. Several schools and kindergartens are within walking distance.

- Yacht club - 800m, mooring for boats, tennis court and restaurant "Laivas" - 500m.

The project plan is in attachment.
