Description

We offer for sale an exclusive Villa in Jurmala, in the dune zone, on the 1st line from the sea. The property consists of a land plot of 3888 m², a Villa of 1106 m² and a renovated historical building-a guest house of 235 m².

The territory and buildings are fully landscaped, sold with all accessories and interior items. The Villa has three floors, a spacious cellar and swimming pool, climate control, cinema room, fireplace, heated garage for 4 cars and other amenities. The guest house has a separate entrance to the territory, which is separated from the Villa and can be used completely independently.

The property is located in a quiet location, near a street that opens into the dunes and there is no traffic. The sea beach is just 50 meters from the Villa.
