Description

We offer for rent exclusive three-level apartment in the "English House" with an excellent view to the Old Town.

An aesthetic, new and tastefully decorated loft apartment is located in a quiet, scenic location on the very bank of the Daugava. The apartment is set over 3 levels and offers breathtaking views. The rough texture of the original masonry, metal and wood structures has been preserved in the interior. The loft apartment has a high-quality finish, the living spaces have built-in wardrobes and well-thought-out lighting scenarios for different moods.

On the 1st floor of the apartment there is an open plan built-in kitchen. The kitchen is equipped with all necessary kitchen appliances. There is a fireplace in the living room. There is a guest toilet on the first floor.

There are 2 bedrooms on the 2nd floor. One of them has an exit to a wide terrace with an individual access to the Daugava and the boat dock via a spiral staircase. The bathroom has a bathtub combined with a shower.

On the 3rd floor there are 2 open-plan rooms that can be used as bedrooms, living rooms or offices. On the last floor there is a balcony with a view of the Daugava and the courtyard. The historic Gypsum factory chimney and the authentic cast iron water pump can be seen in the courtyard.

A guest house with sauna is available for common use. It's perfect parties and holidays!

One underground parking space is available.
