We offer for sale a nice furnished one bedroom apartment located on the 2nd floor of the building. This wonderful apartment is well-planned and consists of a spacious living room, one bedroom, and a bathroom.

House was renovated in 2004. Closed and clean staircase, elevator. Perfect view from the windows to main street and inner yard.

The building is located on Vidus Street, in the Quiet centre of Riga — the most respectable part of Riga. The Quiet centre means an excellent infrastructure along with rich historical heritage and convenient public transportation; at the same time it means the tranquility and ecology of parks, guarding this part of the centre from the rush of the rest of the city.
