Description

A charming 1 bedroom apartment situated on the 2 nd floor in a new dwelling project in Jurmala is offered for sale.

The apartment consists of an open-plan living room/kitchen, bedroom, a bathroom, a corridor and a balcony with the view to the inner yard of the project.

Price includes all furniture, techniques and parking place in the yard.

The apartment of the new residential complex is located in a prestigious resort area at the coast of the Gulf of Riga.

Jurmala is the largest resort of the Baltics located at the seashore of the Gulf of Riga just 20 km away from the capital. The name of the city can be translated from Latvian as "the seaside". The modern Jurmala justifies its name by being the largest and the most popular recreational resort in the Baltic region. Just in a 30-minutes' drive from Riga to Jūrmala you will get to Melluži. This district is one of the most quiet and tranquil places of the seashore city. The name Melluži is derived from the bilberry-rich forests surrounding this district ("mellenes" is translated from Latvian as "bilberries"). Here you will not see crowds of tourists and a continuous beach bustle. At the same time, a well-developed infrastructure, convenient transport and modern stylish architecture attract potential home buyers.
