Description

Modern and light 2 bedroom apartment located in the Centre of Riga.

Comfortable planning- kitchen combined with living room, 2 bedrooms, 2 balconies, 2 bathrooms (with shower and bathroom).

Optical internet and TV are already connected. Apartment is sold together with all furniture and underground parking for 2 cars.

Apartment has individual meters on heating and water, that makes this apartment really practical.

Good house management company, green territory surrounds the building. There is children playground and underground parking located on the territory.

Perfect location - just 10 minutes by car to Old Town . Shopping centers, kindergartens LIDO entertainment Center, river side, bicycle road are located nearby.

New construction. Building equipped with fast elevator, underground parking and independent heating system. Closed green territory, with intercom and children playground.
