The location of the house is ideal for those who want to spend time away from the city noise, but be at a reasonable distance from all city infrastructure. All necessary institutions are close by (schools, shops, medical facilities, etc.). The road to the center of Riga takes only 25 minutes by car, and 30 minutes to the sea. The house is offered with a full high quality finish, fully furnished and equipped with household appliances.

Prestigious place, respectable neighbors. The new settlement of Sunishi is a closed type with expensive houses. The closest to such districts of Riga as Mezciems, Plavnieki and Purvciems.
